**2. Visitors' Comment:**

- 2.1 Chares, president of the New Alexandria Fire Department inquiring about the trash with Jones Sanitation refusing to take any items without an additional charge. Charles recommends that the Borough contact Bankosh Sanitation in Slickville to see what the cost would be and what they will or will not take. Dennis Zdrojkowski brought up that he had talked to J. R. about splitting the cost of a dumpster to get rid of any item that Jones Sanitation will not take but has heard nothing since. Secondly, he also brought up that the Firemen are still interested in putting an addition on the Fire Department Building. Chris Baldrige the mayor asked financially how do you intend to do this. Charles said that they would have to look at what grant money is out there to help with the cost because the borough cannot financially help with the cost at this time. Charles agreed to come to an agenda meeting to discuss this in more detail.
- 2.2 Aaron, from Derry Lions, wanted to come and meet the new council and to discuss a few things with Gray Wing Park. In regard to the Porta John, Council was not aware that a request had to be made for the Porta John., so Dennis Zdrojkowski put the request in for this Summer.
